# THE TROLINGER FOUNDATION

Celebrating and honoring Don “Coach” Trolinger for the nearly 40 years he has dedicated to coaching both Vacaville High and Will C. Wood High school golf teams. He is to credit for producing many successful student athletes that have flourished at every level of the golf and business world.

The Foundation was formed by several members of Coach’s earlier teams to provide scholarships to graduating seniors from high schools in Vacaville in Coach’s honor, beginning in 2019 and for years to follow.

Scholarships will be awarded based on academics, athletic success, and extra-curricular and community activities.

We invite and thank you for becoming part of The Trolinger Foundation this year and for many years to come.
